# KEEP TRACK OF TIME WORKED IN A SIMPLE AND EFFECTIVE MANNER WITH STANLEY SECURITY

STANLEY Security specializes in time and attendance solutions to help customers accurately, simply and cost-effectively track time. Our solutions help automate day-to-day time and attendance tasks, reducing paperwork to facilitate easier administration and realise efficiencies.

Our time and attendance solutions deliver accurate workforce data for all sizes of organizations across a range of market sectors including retail, manufacturing, hotels & leisure, healthcare and SME.

STANLEY Security has a proven track record of delivering ROI by helping to reduce absenteeism, manage flexible working, increase productivity, save time and deliver accurate workforce data, helping to reduce costs and increase business efficiency.

- ▶ **Keep accurate data and track all time issues**
- ▶ **Integrate with other programmes such as payroll**
- ▶ **Simplify processes and reduce administration time**
- ▶ **Help minimise costly overtime expenses**
- ▶ **Provide real-time information**

“Employees can quickly track and enter their work time, see how much holiday time they have used and submit holiday requests”

“Receive notifications of anomalies such as absenteeism or late clock ins automatically”

## FEATURES INCLUDE:

- ✓ Record employee time (arrival time, break in/out, lunch, departure time)
- ✓ Automatically calculate hours worked & summarize for payroll processing
- ✓ Track sick days, holidays, paid and unpaid leave
- ✓ Supports weekly, bi-weekly, semi-monthly, & monthly payroll pay periods
- ✓ Unlimited daily employee clock in/out times
- ✓ Schedule automatic backups of data
- ✓ Direct import of employee data & payroll codes
- ✓ Links to payroll systems including Sage and Opera
- ✓ Payroll option for salaried employees
- ✓ Support multiple clocks on a network
- ✓ Setup & manage users in multiple clock environments from a single PC
- ✓ Customize employee data lists to view anniversaries, departments, photographs, phone extensions, and more
- ✓ Create custom reports as required
- ✓ Prevent access to sensitive employee data
- ✓ Unlimited management and payroll reports
- ✓ Up to 3000 employee licenses available
- ✓ Automatic notifications of anomalies such as incomplete time cards, late clocking employees, and more
- ✓ Facilitate employee self-service for annual leave requests & checking hours worked
- ✓ Customise parameters for management of late/early clocking times

## WHY CHOOSE STANLEY SECURITY?
